Bond Buzz, Issue #7

November 7, 2003

Free from Bond America!

Dear Friends,

Welcome again all Bond Sweater Machine(r), Magicord(r) and Wyr Knitttr(tm) owners to another issue of the "Bond Buzz" e-newsletter!!

Burrrrr..... Sweater Weather is here! And to keep you "in sweaters" (and throws), [check out the new Jewel Box® patterns](#) on the Bond America website.

What's Jewel Box?? Just the latest new yarn from [Caron® International](#). It's a 2-ply 2-tone chenille with a wonderful multi-color "binder" that's plied with the yarn. Take a look at the [beautiful palette of Jewel Box colors](#). Jewel Box knits like a dream on the Sweater Machine (do I hear some poetry here??)! Unlike other chenilles, it does not bias and knits up great on a #3 keyplate. Free patterns by Kathy Perry and I are now on the website.

[Jewel Box™ Split-Neck Pullover](#) Imagine warmth, comfort, style, texture and luxury all rolled into one versatile pattern. This is it!

[Jewel Box™ Backpack](#)

Take a peek at this upgraded super-soft backpack that will please any teen or 'tween on your gift list.

[Jewel Box™ Neck Wrap](#)

http://www.bond-america.com/projects/usm_proj/usm_jb_scarf.html

This super-cozy, super easy neck wrap will make great Christmas gifts.

[Jewel Box™ Throw](#)

Wrap yourself (or a very dear friend) in luxury with this magnificent throw. Pick just one colorway of Jewel Box, and yarn does all the work for you, adding hues, texture—and incredible softness.

Check out all the [hand-knitted and crochet patterns using Jewel Box](#).

We have extra inventory, so this is an online special just for you!
(Cording is definitely cool with new books coming out soon on the subject.)

Also, please note that due to a computer "conversion" glitch, the patterns in the winter issue of Ultimate Knitting were all rated as "easy." Hey, we all know that knitting on the Sweater Machine is easy, but some patterns are easier than others. So here are the "experience level" ratings for each

of the patterns (and for those of you who don't have the magazine and the pattern listing looks interesting, back issues are now available online [here](#)).
